

Translation Theory, 4TT3

This course examines cognitive, linguistic, cultural, artistic and ethical aspects of translation from ancient interlinear translations to modern computer-aided technologies. Three hours; one term
Prerequisite[s]: Registration in Level III or IV of a program in Linguistics or Cognitive Science of Language Offered in alternate years.

Course Evaluation: Paper, Topic Preparation.

Course Text: Claire Bown, *Linguistic Fieldwork: A Practical Guide*.

Course Readings: Jeremy Munday Text: *Translation Theory*.

Course Readings: Goetzmann, U of Texas, 1966 [Settlement, 1700 AD].
